### **Bonus Inside**

Abundance was written because I want you to get a good understanding about what abundance really is. I see so many people postponing their happiness because they think money or something external will make them happy. Me being a life coach I am passionate about helping you go to the next level in your life and start living happier and free. I think true happiness is freedom and this goes into a step by step strategy that will help you feel all the good feelings that you want.

If we focus on all of the abundance around us instead of all the fear, we will start living a more peaceful life without focusing on all the imperfections of life. I believe we don;t need a reason to feel good and I'm going to show you how easy it is.
