**Diálogo de conversos (Spanish Edition)** Roberto Ampuero, Mauricio Rojas

El respeto irrestricto a la libertad e integridad del ser humano así como la reivindicación de la tolerancia permean estas páginas en las que Roberto Ampuero y Mauricio Rojas conversan en torno a su evolución política desde el marxismo de los años sesenta a las ideas liberales que hoy profesan.

Tanto Roberto Ampuero como Mauricio Rojas soñaron con la revolución comunista en los tiempos de Salvador Allende y la Unidad Popular. Ambos salieron al exilio tras el golpe de Estado de 1973, donde se decepcionaron de la materialización de la utopía por la que luchaban. Le vieron de cerca el rostro al socialismo, ya sea totalitario o socialdemócrata, y no les gustó. Pero su largo viaje por tierras lejanas no solo cambió sus ideales políticos sino también a ellos como personas y les permitió mirar a Chile con nuevos ojos.

En Diálogo de conversos recuerdan su pasado y los errores de los radicalismos, e invitan a extraer lecciones de esa historia para recuperar el profundo sentido de la amistad cívica en que se basa la democracia así como la credibilidad en la política. En este libro los autores analizan también el complejo presente de la sociedad chilena, advierten sobre los riesgos de la polarización política nacional y proponen un futuro más auspicioso para nuestro país.
