The Complete Beginners Guide To Learning EKG Interpretation And Arrhythmias Fast!

EKG/ECG strips may initially look intimidating; although we all recognize the spikes and drops found during a heart exam, analyzing those spikes and drops is a whole other story. Using the information provided in these chapters will not only familiarize you with the basics of ECG printouts, but will provide you with tips and tricks to adequately and accurately read strips. Finally, the most common conditions associated with certain readings are identified, giving you insight into both the conditions identified and the ECG readings that were responsible for diagnosis.

Here is a preview of what you'll learn:

- A brief EKG history
- The Components of EKG Readings
- Possible Heart Issues Discovered by EKG
- And Common Diagnoses for Certain EKG Readings.
