## **Legacy of Discord: Voices of the Vietnam Era** Gil Dorland

Twenty-eight years have passed since the fall of Saigon. We still seek answers to the era's pressing issues. And those who were responsible for planning the Vietnam War, those who fought in it, those who fought against it, and those who reported it have had ample time to reflect on its meaning and on their personal involvement. In *Legacy of Discord*, skilled interviewer Gil Dorland discusses serious, unresolved issues with Peter Arnett, Mike Davison, Daniel Ellsberg, Gloria Emerson, Alexander Haig, David Halberstam, Tom Hayden, Le Ly Hayslip, Roger Hilsman, John Kerry, Henry Kissinger, Cau Le, Barry McCaffrey, John McCain, H. R. McMaster, Tom Polgar, Norman Schwarzkopf, Jim Webb, and William C. Westmoreland. For the many veterans, students, and others still seeking to understand this great national tragedy, *Legacy of Discord* will be a book of historic importance.
