## **The All Tree** Mrs. Glenna C Akers

Originally created fifty years ago, The All Tree was an alphabet book ahead of its time. Though numerous publishers loved the story, they balked at the possibility of reproducing its rich, textured colors with the technology of the period. Today, however, with the many advances in color printing, The All Tree has become available to a wide audience! This heartwarming tale of a tree seeking company from an unusual and delightful group of friends was penned by Marshall University graduate and career librarian, Glenna Akers, and was illustrated by her husband, O. C. Akers, a gifted artist and former Marine with the 2nd Engineer Battalion. By adding this vintage story to your child's collection, you and your family will have an entertaining and educational book to enjoy for years to come!
