The Millionth Circle: How to Change Ourselves and The World--The Essential Guide to Women's Circles Jean Shinoda Bolen

A combination of vision and how-to, The Millionth Circle is the most activist work to date of Dr. Jean Shinoda Bolen, a writer, analyst, and teacher who has long been a leader in the women's empowerment movement. Written in poetic language that invites the readers to use intuition and draw upon their psychological and spiritual insights, The Millionth Circle will be the tool and inspiration women can use to create new circles or deepen and transform existing circles into vehicles of societal and psychospiritual change.
