We have progressed in our own studies ... but now, things were getting serious, as more and more information came to light. Is our world, and our species, running out of time? Definitely. Is it past all hope? The Vrilya Community says, no. But it will require serious commitment from us all, if this planet is to be saved. That's not just our "fear mongering" opinion; see the results from noted scientists, as well as the sinister role NASA is playing ...
