This new technical handbook shows woodworkers exactly how to approach the complex job of designing and making built-in cabinets for kitchens, family rooms, and home offices. Robert W. Lang gives readers clearly written text, meticulously detailed shop drawings, and sharp photographs showing how the cabinets go together in the real world. This comprehensive handbook gives woodworkers the choice of building traditional face-frame cabinets, or contemporary frameless Euro-style cabinets. Readers will benefit from practical and shop-tested methods and time-savers on every page.
