Handbook For Social Success Juhie Rathor

Want to achieve social success? You've come to the right place! We've all been in difficult social situations that we don't know how to deal with. That will no longer be a problem! In her new book, Handbook For Social Success, high school student Juhie Rathor has created a handbook to social success. Written by a high school student for students, it will help kids of all ages establish stronger friendships and acquire better social skills. Whether you want to make new friends, maintain a friendship, find out more about conflict resolution, or just improve your social skills, you'll find tips and answers to your questions in this helpful new book. Read about making friends and keeping them chapter by chapter to find out what to do and what not to do in certain circumstances. You can even quiz yourself along the way to find out what your strengths and weaknesses with your social skills are. Handbook For Social Success includes real situations and advice from current high school student, Juhie Rathor. Juhie Rathor is currently a student at Mira Loma High School. She used to be very shy, but acquired better social skills and is now as social as can be. She became involved in student government for a few years and became class president during her sophomore year. She is a captain of her school's varsity tennis team and enjoys playing piano.
