What if it were YOUR home? Imagine someone with seemingly unlimited power showing up one day and taking your home away from you and your family. Attempts at logic, requests for information, everything that a reasonable man might ask or do, all failed. What would you do? What would you want all Americans to do? Much has been written about the mortgage crisis. Not much has been written by someone that experienced it first hand. Like many Americans, John Q. just assumed he had fallen on hard times. Things happen. But as the story unfolded, the trail of data showed otherwise. Accident or design? Disinformation, lies, incompetence, or misunderstanding? Come take a look. Decide for yourself. Is it time Americans stood together to make a stand, or do we just lie down and let them take our country one small piece at a time?
