The Trial [Tantor Audio]

Franz Kafka

The Trial [Tantor Audio] Franz Kafka

First published in 1925, *The Trial* tells the story of a man arrested for an unknown crime by a remote, inaccessible authority and his struggle for control over the increasing absurdity of his life. One of Franz Kafka's best-known works, *The Trial* has been variously interpreted as an examination of political power, a satirical depiction of bureaucracy, and a pessimistic religious parable. Left unfinished at the time of Kafka's 1924 death, *The Trial* is nevertheless a trenchant depiction of the seemingly incomprehensible nature of existence and a fascinating exploration of the universal issues of justice, power, freedom, and isolation.
