Tinkering Tink (An Embossed Storybook) (Disney Fairies) Disney Book Group, Laura Driscoll

When Tinker Bell agrees to water Lily's flowers for a day, she discovers something about gardening: it's very, very boring. So tinkering Tink, ever the inventor, whips up a watering, shading, digging, planting, *gardening* machine and presents it to the astonished Lily. But alas, Lily explains to Tink that she *likes* watering, shading, digging, and planting by hand—just like Tink enjoys mending pots and pans and inventing things. Tink can't help but feel a little sad... will her amazing invention go to waste?

Gorgeous, rich embossing enhances this sweet story, sure to charm the pixie dust out of parents and little fairies fans alike.
