Anthem

Ayn Rand

Anthem Ayn Rand

Upon original submission of “Anthem” to Macmillan publishing the book was rejected on grounds that “the author does not understand socialism.” For the harshest of Ayn Rand’s critics this might as well be an analysis of all her work. However, for those who revere Rand’s work and subscribe to her particular philosophy of objectivism this novel could be set in the present day instead of some unidentified future in which mankind has entered a dark age characterized by irrationality, collectivism, and socialistic thinking. In this dystopian novella we find a world where technological advancement is now carefully planned and the concept of individuality has been eliminated. The central characters of the story are Equality 7-2521, a free thinking inventor, and his love interest, Liberty 5-3000. Like most dystopian works, “Anthem” describes a strange and unfathomable world which could never exist. It is in the creation of this extreme world that Rand creates a parable to warn us against what she believed were the perils of socialism. What is clearly a response to the oppressiveness of the Soviet Union, “Anthem” continues to resonate with those fearful of collectivist political philosophy gone too far. This edition is printed on premium acid-free paper.

From reader reviews:

Helen Leduc:

Information is provisions for those to get better life, information these days can get by anyone in everywhere. The information can be a information or any news even restricted. What people must be consider when those information which is inside former life are challenging be find than now's taking seriously which one would work to believe or which one typically the resource are convinced. If you obtain the unstable resource then you obtain it as your main information we will see huge disadvantage for you. All those possibilities will not happen within you if you take Anthem as your daily resource information.

Audrey Thompson:

Playing with family in a park, coming to see the sea world or hanging out with friends is thing that usually you could have done when you have spare time, in that case why you don't try thing that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Anthem, you may enjoy both. It is good combination right, you still would like to miss it? What kind of hang type is it? Oh occur its mind hangout fellas. What? Still don't understand it, oh come on its called reading friends.

Virginia Combs:

Anthem can be one of your nice books that are good idea. We all recommend that straight away because this reserve has good vocabulary that may increase your knowledge in vocabulary, easy to understand, bit entertaining but delivering the information. The author giving his/her effort to set every word into enjoyment arrangement in writing Anthem however doesn't forget the main level, giving the reader the hottest and also based confirm resource information that maybe you can be one of it. This great information can drawn you into brand-new stage of crucial thinking.

Kevin Mabry:

In this era globalization it is important to someone to get information. The information will make anyone to understand the condition of the world. The healthiness of the world makes the information quicker to share. You can find a lot of recommendations to get information example: internet, newspaper, book, and soon. You can see that now, a lot of publisher that print many kinds of book. Typically the book that recommended to you is Anthem this publication consist a lot of the information on the condition of this world now. This book was represented how do the world has grown up. The words styles that writer value to explain it is easy to understand. Often the writer made some research when he makes this book. This is why this book suitable all of you.
