Readers will find authoritative advice on caging, feeding, health care, and more in this book, supplemented with vivid color photos. Titles in this growing series of pet care books are especially focused to answer the questions and meet the needs of inexperienced and soon-to-be animal owners. *My Pet* books combine detailed instruction and advice in a somewhat larger format than Barron's longtime popular *Pet Owner's Manuals* and *Pet Handbooks*. They also feature more than 250 color photos, eye-catching and informative sidebars, and colorfully illustrated cover flaps. The text is clearly written, and accessible both to adults and older children.
