**Nevermind** Robert Fitterman

Poetry. Art.

*I love myself*

*better*

*than you*

In NEVERMIND, Robert Fitterman relaxes the lyrics of Nirvana's iconic album of the same title into a slow poetry spread across 700 pages, one that halts grunge's hammering pace into a meditation on the emotional spaces of minimalist and concrete poetry, and the physical space of the book itself.

### From reader reviews:

#### **Ana Jara:**

In this 21st century, people become competitive in every single way. By being competitive right now, people have to do something to make them survive, being in the middle of the actual crowded place and notice through surrounding. One thing that oftentimes many people have underestimated this for a while is reading. That's why, by reading a guide your ability to survive improve then having chance to remain than other is high. For you who want to start reading some sort of book, we give you that Nevermind book as beginning and daily reading reserve. Why, because this book is usually more than just a book.

#### **Fannie Garcia:**

Reading a reserve tends to be new life style with this era globalization. With studying you can get a lot of information that can give you benefit in your life. Along with book everyone in this world could share their idea. Guides can also inspire a lot of people. Many author can inspire their very own reader with their story or maybe their experience. Not only situation that share in the guides. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors these days always try to improve their expertise in writing, they also doing some study before they write to their book. One of them is this Nevermind.

#### **Zola Campbell:**

Your reading 6th sense will not betray anyone, why because this Nevermind book written by well-known writer we are excited for well how to make book which can be understand by anyone who read the book. Written inside good manner for you, still dripping wet every ideas and publishing skill only for eliminate your personal hunger then you still hesitation Nevermind as good book but not only by the cover but also from the content. This is one e-book that can break don't ascertain book by its handle, so do you still needing another sixth sense to pick this particular!? Oh come on your reading through sixth sense already said so why you have to listening to yet another sixth sense.

#### **Anna Bailey:**

That guide can make you to feel relax. This specific book Nevermind was colourful and of course has pictures on there. As we know that book Nevermind has many kinds or genre. Start from kids until youngsters. For example Naruto or Detective Conan you can read and feel that you are the character on there. Therefore , not at all of book usually are make you bored, any it offers up you feel happy, fun and chill out. Try to choose the best book for you personally and try to like reading which.
