## **The Prisoner's Wife** Gerard Macdonald

*The Prisoner's Wife* is a political thriller ripped from today's headlines –a tense trip through the murky worlds of state– sponsored terrorism, nuclear politics, secret American jails and lawless rendition. Shawn Maguire, unemployed American spy, has been paid to find a young Iranian now being interrogated in one of the CIA's black prisons. The prisoner may be in Fes, in Cairo or in Peshawar, but Shawn has every confidence that he'll find his man. Based on his time as an agent, it's an assignment he knows he can handle. But he's not so sure he can handle... the prisoner's wife.

Gerard Macdonald's *The Prisoner's Wife* takes a pulse-pounding look at the political intrigue in the Middle-East.
